Introduction

Welcome to your Natal Chart report.

Your Natal Chart report is an astrological chart based on the mathematically precise positions of the planets and the Sun & Moon at the time, date and place of your birth. It provides you with insights into your character and personal life potentials by indicating the strengths you have and the challenges you experience in life.

Your Natal Chart report covers among other things your primary motivation in life, your identity, emotions, mentality, love and sexuality, spirituality, earning ability and career potentialities and so on.

In some parts of the report you will come across apparent contradictions in the descriptions of your character. This is to be expected; people are complex and have many contradictory facets to their personality.

We trust you will find the report insightful and helpful.

Ascendant

The Ascendant describes your personality and image, the face you show the world, and the nature of your personal and wider environment.

Ascendant in Libra

Your primary motivation in life is for freedom of action and movement. You display an attractive personality, with the ability to get along with others. You are co-operative, diplomatic and a natural mediator, with the capability to appreciate differing points of view. Sociable and engaging, you are generally popular and well liked. You need company and prefer to associate with cultured, refined and creative people. You have an aesthetic sense and an appreciation of the arts, coupled with a preference for harmonious and tastefully arranged environments.

Ascendant Opposition Sun (4°08' A)

You have a strong desire to become important or to gain esteem in life. You have a knack for attracting important well-known or famous people. You may tend to overwhelm other people with the power of your personality and display pride and attention seeking tendencies. Difficulties may be experienced in your relations with others caused by arrogance.

Ascendant Opposition Mercury (1°01' S)

You have a keen mind and quite possibly an above average intelligence. You are sharp-witted and alert to what's happening around you. A clear communicator, you express yourself lucidly. Also, you are a good conversationalist because you are curious about what interests others. Intellectually, you have a questioning mind and are drawn to those on the same wave-length as yourself. Negatively, you can have a tendency to be judgmental or overly critical of people whose views contradict your own. You may engage in gossip. Your personal environment is busy most of the time, which is just as well as you tend to be quite restless and find it nearly impossible to sit still for very long.

Ascendant = Jupiter/Saturn (-0°49' S Conjunct)

A cautious personality. Guarded optimism. Learning from experience; undergoing good times and tough times throughout the course of life. An awareness of the cycles of change; of increase and decrease. Alternating between positive and negative attitudes and actions. Indecision; momentary hesitation. Fluctuating financial circumstances. Instability within the environment - and partnerships.

Ascendant = Moon/Mars (-0°10' S Sesquiquadrate)
A strong, assertive and at times defiant personality. Being accustomed to giving orders to others within the environment. Taking charge of situations; a competent and efficient nature. Demanding and demonstrative traits; motivating others. Busy personal and domestic life. Organizing family activities. Productive partnerships.

Ascendant = Moon/Venus (-0°01' S Sesquiquadrate)
An attractive and caring personality. Displaying a gentle and soothing manner. Catering to the needs of others; adapting easily to environmental conditions. Giving and receiving. Parenting and nurturing skills. Affectionate responses; devoted and supportive partnerships. A loving family; shared experiences - gatherings.

Ascendant = Uranus/Midheaven (+0°09' A SemiSquare)
A lively and independent spirit. An alert and intuitive personality. Intuitively recognizing when change is necessary or imminent. Being prepared for any eventuality. Quick reactions to environmental influences. Radical ambitions; progressive attitudes. Changeable professional and domestic circumstances. Coming to terms with the unpredictability of life. Stimulating partnerships.

Ascendant = Mars/Jupiter (+0°38' A Sesquiquadrate)
Self-confidence and self-motivation. An enthusiastic and adventurous personality. Taking pride in personal achievements. An enterprising and decisive nature; constructive initiatives. Foresight; the ability to take charge of situations. Recognizing the 'right' moment to take action. Industrious and productive environments. Successful and lucrative partnerships.

Ascendant = Venus/Jupiter (+0°48' A Sesquiquadrate)
A jovial and happy personality. Charm and diplomacy. A positive and harmonious outlook on life. Contentment. A generous nature; a love of giving and sharing. Indulging others and being indulged; extravagant tendencies. Materialism. Living the high-life - living beyond one's means. Beneficial partnerships.

Sun

The Sun describes your sense of personal identity, your creative expression and ability to realize your individual potential and gain recognition.

Sun in Taurus

You have a practical and down-to-earth nature, coupled with a strong desire to create secure and stable circumstances in life. Possessions and financial matters are important to you and, generally, you like to manage your own finances. You are naturally thrifty and have a knack for recognizing bargains. In touch with your physical senses, you know how to enjoy yourself and can, on occasion, indulge in sensuality. You are generally a patient and conservative person that doesn't anger easily; however, you become a force to be reckoned with when pushed too far. You tend to prefer the status quo to change and can be quite inflexible and stubborn when you want to be. An artistic talent is possible.

Sun in 7th House

Your ability to gain recognition in life in either a personal or professional capacity is through union with a partner. You are at your best and most productive when you work together with another. Marriage is important to you and you can gain valuable experience from one-to-one relationships. You are drawn to powerful and strong-willed personalities, or to people that you can respect.

Sun Trine Moon (5°49' S)

All things considered, you have a sense of inner harmony and in general a good relationship with the opposite sex and your family. Your parents encourage individuality in you and for the most part do not interfere in your personal life. Physically, you have good stamina and strong recuperative powers.

Sun Conjunct Mercury (5°08' A)

You have an active and alert mind and an interest in learning. You like being involved in mentally stimulating projects. A thinker, you thrive on intellectual stimulation and study. You also enjoy talking with people and expressing your opinions. At times, you can worry incessantly or suffer from nervous stress and overwork. You can be overly subjective and be inclined to take things too personally.

Sun Trine Jupiter (7°26' A)

You have an essentially positive and healthy outlook on life. Generosity of spirit and goodwill towards others makes you a popular companion and a fun person to be around. You are motivated by a strong urge to expand in life and to broaden your personal horizons. You have the ability to successfully advance your material, social, intellectual or spiritual aspirations. In general, you are a fortunate person whose needs in life can be met without too much hardship.

Sun Square Midheaven (3°21' S)

You have the power to succeed and to realize your personal goals but only through great effort and self-motivation. Success and professional respect is important to you and you take pride in your vocational accomplishments, however, you may find that your career and family life are occasionally at odds. It is important for the development of your individuality that you strive to make your own mark on the world.

Sun = Mercury/Midheaven (-0°53' A SemiSquare)

Contemplation and meditation. An interest in philosophical matters. Thinking about and discussing the nature of Self and the meaning of life. Formulating a personal code for living. Developing an individual philosophy. Health conscious. Having the power to achieve vocational success through wit and clarity of intent. Business acumen.

Sun = Ascendant/Midheaven (-0°23' A Sesquiquadrate)

An awareness of personal identity and place in the world. The desire for acknowledgement and recognition. A strong sense of self. Ego awareness. A powerful personality. Taking pride in own achievements. Self-confident and authoritative. Living life in the here and now. Consciousness of health and vitality. Contacts with influential people. Intellectual pride and arrogance.

Sun = Mars/Moon's North Node (-0°04' S SemiSquare)

The desire to join forces with others. Competing with or against other people. Participating in team sports or recreational activities. Sexual relationships. Holding leadership positions in groups or organizations. Difficulties in associations caused by arrogance or ego clashes.

Sun = Venus/Moon's North Node (+0°05' A SemiSquare)

A warm-hearted and vibrant nature towards others. Ability to cultivate harmonious and pleasant connections with other people. Displaying charm and adaptability in social interactions. Preferring the company of creative and refined people. Artistic alliances.

Intimacy and affection in associations.

Sun = Saturn/Uranus (+0°40' A Sesquiquadrate)

Strong inner and physical tensions. The urge to be free of imposed restraints. Pushing against boundaries. Initiating the breaking down of old structures and constructing of the new. Rebelling against the status quo and restrictions. Confrontations with authority figures. Acts of personal courage and acts of violence. Sudden losses and separations. Struggles for survival. Accidents and injuries.

Moon

The Moon describes your emotional nature, instinctual behavior and unconscious response patterns, and sense of home and family.

Moon in Capricorn

While you are someone who feels things deeply, you experience some difficulty expressing your innermost feelings. Rather than freely showing your emotions, you tend to keep them under control. A serious person, you know and accept your responsibilities, especially towards your family. Other people are inclined to look to you for support, as you have an inner strength and maintain a cool head under pressure. You are ambitious for success and professional advancement.

Moon in 3rd House

You are a communicative person requiring mental and emotional stimulation within your environment. Your siblings and relatives play an important part in your personal development. You experience a lot of change and mobility in your day-to-day life. Familiar surroundings give you a sense of security.

Moon Conjunct Jupiter (1°37' A)

You are naturally generous, open-minded and kind-hearted and often experience benefits in life with or through others. Your emotional honesty and good humor make you popular and appreciated by others. You are socially aware and always ready to help other people. You know how to enjoy yourself and are fond of sociable and pleasurable activities. Relations with women are usually positive and often personally advantageous. Your outlooks on life can fluctuate with your moods and you may experience religious and

philosophical conflicts. You will probably travel and possibly live overseas.

Moon = Saturn/Neptune (+0°31' A Opposition)

Acute emotional sensitivity. Introversion. A vulnerable nature. Contending with feelings of despondency and insecurity. The need to take care of personal health, diet and exercise in order to ensure physical and emotional well-being. Spiritual discipline. Asceticism. Tenuous family relationships. Painful emotional experiences. Sacrifices.

Midheaven

The Midheaven describes your highest aspirations in life and means to self-fulfillment, your personal vocation, and your status as perceived by others.

Midheaven in Leo

Your aim in life is to gain recognition for your efforts. You take pride in your personal achievements. Self-realization is accomplished through asserting yourself and advancing socially. You are motivated to improve your status in life. It is also to your advantage to pursue and accept leadership roles.

Midheaven = Mars/Uranus (-1°14' S Conjunct)

A highly individualistic streak; maverick tendencies. An unpredictable and volatile individual - a 'loose cannon'. Acting on impulse and without thought of the likely consequences. Making split-second career decisions. A reactive and explosive nature; confronting others or being confronted. Sudden experiences. Accident proneness.

Midheaven = Venus/Uranus (-1°04' S Conjunct)

A demonstrative and flirtatious nature. Emotional and sexual excitability. Romantic adventures and encounters. Sudden and instant attractions - to something and someone. Unpredictability within intimate partnerships. Individualized tastes and preferences in love and art. A unique sense of style - a trend setter. A love of change and stimulation within professional life.

Midheaven = Moon/Neptune (-0°26' S Sesquiquadrate)

Idealistic aims and aspirations. A gentle soul; benefiting from spiritual pursuits, meditation, yoga, etc. Empathic responses. Psychic awareness and perception. The need to protect oneself from draining and undermining influences. The ongoing development of creative potential. Addictions and dependencies. Elusive and escapist tendencies. Uncertainty regarding path and direction in life.

Midheaven = Jupiter/Neptune (+0°23' A Sesquiquadrate)

A trusting soul. Idealistic goals and aspirations in life. Involvement in humanitarian causes - cultivating a spiritual or philosophical outlook. Compassion and empathy. Indecision with regard to direction in life. Professional uncertainty. Unrealistic expectations. Gullibility and susceptibility. Unwise speculations and investments.

Midheaven = Mercury/Saturn (+0°24' A SemiSquare)

Self-preoccupation; serious considerations and appraisals. A succinct communicator. Developing self-awareness through hardship and direct personal experience. Viewing life realistically and philosophically. Focusing on personal and professional aspirations. Mentally demanding and challenging intellectual work. Difficulties through defeatist attitudes. Separative influences.

Midheaven = Saturn/Ascendant (+0°54' A SemiSquare)

A self-reliant or repressed individual. Recycling fears and anxieties. Contending with harsh realities and testing experiences in life. Difficulties within the family and profession. The tendency to retreat from negative influences and people. A reclusive nature. Solitary inclinations. Denying others and being denied. Painful losses and separations.

Midheaven = Moon/Pluto (+1°29' A Sesquiquadrate)

An emotionally intense nature; the tendency to become fixated or obsessed by something or someone. Extreme ambition - personally and professionally. Dramas and power struggles in domestic and family life - and within career. Ruthless inclinations. Manipulating others and being manipulated. High-powered and domineering women.

Mercury

Mercury describes your manner of expression, your powers of communication and intellectual reasoning, your ability to formulate and articulate ideas, and to make decisions.

Mercury in Aries

Mentally alert, you process and understand things quickly. You are eager to argue a point and compete with others intellectually. You can also make decisions quickly and supply a ready answer when challenged. In working situations, you can be inspiring and inclined to take the lead in discussions. You have bold ideas and will stand up for yourself. You can also be sharp-tongued and quarrelsome.

Mercury in 6th House

Your thinking is primarily focused on work matters and employment. You are motivated to acquire specialized skills and expertize in specific fields. You are a hard worker, however, you need to pace yourself well, in order to minimize stress. You may work in office environments, the health sector, computing, the service industries or research. You are generally interested in health matters, diet and hygiene.

Mercury = Moon's North Node/Midheaven (-1°02' A Square)

Forming relationships based on mutual interests and aspirations. Like-minded partners and friendships. Recognizing meaningful and trusted associations. Stimulating connections within professional life. Achieving vocational objectives with or through others. Active discussions and communications. Business ties. Close communication within the family.

Mercury = Moon/Saturn (-0°37' A Opposition)

A realistic outlook and approach to life. Applying reason over emotion. Discussing emotional concerns with others; knowing when to be responsible. Serious considerations and realizations involving family life. Mental focus. Hours of disciplined mental activity. The tendency to dwell on past difficulties or slights. Reticence. Imagining things to be worse than they are. Contemplating separation.

Mercury = Sun/Uranus (-0°31' S Square)

Mental activity and stimulation. Original and progressive means of communication and

self-expression. Exploring new ideas. Clever and ingenious. Making decisions independently. Assessing and assimilating situations quickly. Innovative in attitude and approach to life. Resourceful and forward-thinking. High intuition. Opinionated and uncompromising attitude. Mental and nervous stress. Highly strung. Technological interests. Computer whiz.

Mercury = Jupiter/Saturn (+0°11' A Opposition)

Serious and constructive thinking. Recognizing when change is imminent and timely. Knowing when to expand and when to consolidate. Acquiring knowledge and practical experience in life. Witnessing philosophical and religious intolerance and prejudice. Fluctuating between optimistic and pessimistic outlooks throughout life; contending with conflicting thoughts and ideas. Changeable financial and business circumstances. Considering separation and knowing when to depart.

Mercury = Moon/Mars (+0°50' S SemiSquare)

Communicating excitedly or when in a state of agitation; emotionally charged verbal exchanges. Speaking openly and candidly. Thoughts and ideas that have a strong personal bias. Willful and demanding, with the ability to articulate what is wanted. Instinctive responses and reactions. Impatience. Irrational behavior. Verbally aggressive and argumentative.

Mercury = Moon/Venus (+1°00' S SemiSquare)

Intellectual receptivity and creativity. An instinctive visual and aesthetic sense. Feeling blessed and acknowledging it. Affectionate responses. Pondering the nature of love. Discussing intimate feelings with others. Talking about relationship and sexual needs and desires; speaking with heart and soul. Thinking about parenthood. Communication with women and family members.

Mercury = Uranus/Midheaven (+1°10' S Sesquiquadrate)

A progressive outlook on life. The ability to think independently and to draw personal conclusions. Seeing things from a different angle or perspective. Pursuing unique goals and professional objectives. Technological careers. Thriving on intellectual stimulation. Lively discussions and communication. A stimulating home life. Inflexible attitudes. Stress.

Venus

Venus describes your appreciation of beauty and the arts, your powers of attraction, and your capacity for close personal relationships and love affairs.

Venus in Taurus

You have strong personal powers of attraction and desires. Emotional constancy, loyalty and stability are important to you in close relationships. However, difficulties in love can come about from possessiveness or jealousy. There can be a tendency to over-indulge in the good life and to risk weight gain. Artistic appreciation and talent are possible, especially in the tactile arts.

Venus in 7th House

You blossom and prosper through romantic partnerships or marital union. Partners tend to be attractive and companionable. You are suited to dealing with the public and could enjoy success in personnel work, the art or entertainment industries or the counseling sectors.

Venus Conjunct Mars (0°19' A)

You have a sensual and passionate nature, with a strong need for emotional and physical experiences. You express your feelings ardently, especially in personal relationships. You have strong desires and can be romantically assertive. In love, the thrill of the chase is often more exciting than the outcome. You are drawn to magnetic people who are aware of their own sexuality and will occasionally form unions based solely on physical attraction. Difficulties in love are possible through flirtatious behavior or infidelity. Possibly, you may be creative or artistic.

Venus Trine Jupiter (8°27' A)

You have a pleasant and affectionate nature, which warms people to you easily. Gregarious and optimistic, you embrace life wholeheartedly and fully. You have an attractive personality and a kind-hearted manner about you, with the ability to gain popularity or favoritism from others. You have the capability to feel at ease in most social situations and are able to form harmonious and fortunate connections with people. To some extent, you may lack the drive or ambition to fully develop your creative potential, preferring instead to indulge in sensuality and trivial pursuits.

Venus Square Saturn (3°14' A)
Regarding matters of the heart, you are cautious and inclined to put practical considerations before romantic desires. You have a tendency to exercise self-control in love, perhaps at the expense of emotional satisfaction and spontaneity. You are attracted to people older than yourself and respect their life experience and maturity. At times, you enjoy time alone and are content in your own company. Alternatively, you can be emotionally cool and indifferent, even hard-hearted and cold. There may be difficulties in expressing affection and discomfort with intimacy. You can lack self-confidence in love, resulting in periods of loneliness. Estrangements and separations in love are possible.

Venus Sextile Moon's North Node (1°36' A)
You have well-developed social skills. Possessing charm and good taste, you prefer the company of cultured and refined people. You tend to cultivate friendships with creative people and move in artistic circles. Popular and well-liked, you enjoy an active social life and have many opportunities for love.

Venus = Pluto/Ascendant (-1°01' A Square)
A charismatic and magnetic personality. Making one's presence felt and intentions known. Dynamic and intense partnerships. Commitment. Fixating upon the heart's desire. Obsessions and compulsions. Controlling and manipulating relationships. Demanding and uncompromising in love and sexual affairs.

Venus = Sun/Neptune (-0°52' A Conjunct)
A romantic and soft-hearted nature. Devotional and sentimental inclinations. Idealism in love and personal relationships. Emotional and sexual infatuations. Vulnerability. Despondency and renunciation in love. Misplaced trust; exposure to deceptive influences within partnerships. Inspired creativity. A refined visual sense with a love of the arts.

Venus = Neptune/Midheaven (+0°49' S SemiSquare)
Idealistic aspirations in love. Infatuations. Desiring inner attachment and spiritual unity with another. Devotion and empathy within partnerships. Highs and lows in relationship life. A risk of being blinded by love; disappointments. Unfulfilled romantic expectations and sexual desires. Distrust and deception. Dreaming of a better future. Creative vision and inspiration. Professional connections within the arts, theater and music industries.

Venus = Sun/Pluto (+1°03' S Conjunct)
Personal charisma and charm. A passionate nature intent on achieving desires.

Recognizing the power of attraction in self and others. Sexual magnetism. Partnerships based on deep affection. Commitment to loved ones. Intense relationships. Obsessive and repressive tendencies in love. Manipulation and jealousy. Emotional dramas. An evolving creative expression.

Mars

Mars describes the way you act and assert yourself, your basic urges and desires, and your ability to achieve personal goals.

Mars in Taurus

You set yourself practical and realizable goals. With strong powers of perseverance and endurance, you have the ability to apply yourself to a task for hours on end. In all likelihood, you are motivated to acquire possessions and material security. You are usually slow to anger but if pushed too far, you can become a formidable opponent. You can experience conflicts with others through being stubborn, intractable or unyielding.

Mars in 7th House

You are drawn to energetic and enthusiastic people. Direct and competitive in your relationships, you need a partner that you can spar with. Quarrels and disagreements are frequent in your personal unions. Other people can annoy or irritate you if they interfere in your life. Partnerships tend to be made and broken quickly and impulsively.

Mars Trine Jupiter (8°08' S)

You have an excellent sense of timing and rarely miss an opportunity. In fact, you have a sense for recognizing defining moments and a knack for being in the right place at the right time. You are a productive, energetic and resourceful person who has the ability to organize your affairs well. At the very least, you are decisive and able to make decisions quickly. Enterprising and creative, you enjoy beginning new ventures and seeing them through to their successful conclusions. You are competitive, in a good-natured way and most likely enjoy sports, adventurous games or various forms of physical exercise.

Mars Square Saturn (2°55' S)

This particular combination of planets is challenging to say the least. The enthusiastic and adventure seeking nature of Mars is in conflict with the obstructive and restraining

tendencies of Saturn. Positively, Saturn can tone down Mars' impatience and encourage disciplined action, the attainment of goals through concentrated or sustained effort and persistence. At times, progress in life can seem frustratingly slow; it sometimes feels as if you are 'driving with the hand brake on'. Negatively, you may find it difficult to manage anger and irritability. There is a risk of adopting a harsh outlook or of becoming resentful, vengeful and bitter. At approximately seven-year intervals, you may be forced to contend with restrictions and periods of low physical energy.

Mars Sextile Moon's North Node (1°17' S)

You have a strong desire to participate in joint ventures together with other people. Much can be achieved in co-operation with others, through joint enthusiasm and commitment to the job at hand.

Mars = Venus/Saturn (-1°18' S SemiSquare)

Restraint and repression in love and sex. Frustrated desires and passions. Dissatisfaction and conflict within partnerships. Demonstrating distaste and displeasure. Misdirected anger. Selfishness. Contempt. Recognizing the end of a relationship and taking action. Separating or divorcing self from another. Demanding creative or artistic activities.

Mars = Mercury/Pluto (-1°13' A Conjunct)

Decisive in thought, speech and action. Strategic and tactical planning. Knowing the best line of attack; aiming for accuracy and precision. A dynamic and persuasive communicator - a way with words. Ambitious endeavors. Challenging others and being challenged. Demonstrating a sharp and aggressive manner. Going for 'the jugular'. Heated and intense arguments. Coercion and manipulation.

Mars = Pluto/Ascendant (-0°42' A Square)

An intense and dynamic personality. A direct and confrontational manner. Dominating or being dominated by others. Relentless drive and determination. The power to achieve ambitions. Taking risks regardless of the consequences. Manipulating people and situations. Power struggles within relationships. Acts of aggression and violence. Forcefulness. Injury and accident proneness.

Mars = Sun/Neptune (-0°33' S Conjunct)

Physical sensitivity and weakness. Decreased drive, motivation and determination. Low vitality, stamina and energy. Susceptible to infections. Reduced powers of self-confidence and self-assertion. Despondency and apathy. Idealistic enterprises.

Spiritual activity. Gentle forms of exercise such as yoga, tai chi or swimming.

Mars = Neptune/Midheaven (+1°07' S SemiSquare)

Contending with personal and professional insecurities. Uncertainty as to where and how to channel personal energies. Easily diverted and distracted. Fluctuating between being pro-active and passive. Pursuing unrealistic aspirations and ambitions. Misguided desires and intentions. Spiritual and metaphysical activity. Idealistic ventures and endeavors.

Mars = Sun/Pluto (+1°21' A Conjunct)

An intense, passionate and motivated nature. Intent on achieving specific objectives. Dedication, commitment and accomplishment. Working under pressure. The relentless pursuit of goals; being consumed by desire or ambition. Demanding and defiant. Annihilating opposition. Ruthless intentions; the extreme use of energy. Complete exhaustion. Manipulation. Power struggles.

Jupiter

Jupiter describes how you relate to the larger world beyond your personal self, how you expand in life, and experience higher learning, travel or religion.

Jupiter in Capricorn

Success in life comes through patience and perseverance, coupled with a realistic sense of what is possible. You also have the capability to achieve positions of responsibility. In time, you may acquire maturity and wisdom based on life experience. You attain your goals in life through hard work, self-discipline and sacrifice. There can also be a predisposition to cynicism and skepticism.

Jupiter in 3rd House

You have an open mind and are interested in many things - often all at once! You are motivated by the urge to learn and extend your general knowledge and may be interested in philosophy, religion and education. You could succeed as a teacher, mediator or communicator. You enjoy keeping active and mobile, resulting in many short journeys on a daily basis. You tend to have good relations with your relatives and neighbors.

Jupiter = Saturn/Neptune (-1°06' A Opposition)
Heightened physical and emotional sensitivity. Easily overwhelmed; susceptible to exhaustion and bouts of low of vitality. The gradual undermining of general health and well-being. Fluctuating levels of optimism. Benefits from periodic solitude. Meditation - spiritual retreat. Faith and devotion. Willingly making sacrifices for others. Religiosity and asceticism.

Jupiter = Mars/Neptune (+0°22' S Sesquiquadrate)
Channeling energies into ventures whose outcomes may be uncertain. Discovering that plans do not always turn out as anticipated. Living in hope and expectation. The eternal idealist. Chasing rainbows. Changing fortunes and material circumstances. Dissipation of energy. An enthusiasm for spiritual and religious pursuits. Benefits from yoga and tai chi.

Jupiter = Venus/Neptune (+0°31' A Sesquiquadrate)
Romanticism. High hopes and expectations in love and sex. Wishing power. Idealism within partnerships. Seducing others or being seduced. Devotional and unconditional love. Altruism; giving with love and compassion. Spiritual and religious faith. Trusting that things will turn out well; potential disillusionment. Gullibility. Indulgence and immoderation. Creative talent and appreciation.

Jupiter = Saturn/Pluto (+0°49' S Opposition)
A tough yet rewarding road to success. Quietly and competently getting on with the task at hand. An understated achiever. The necessity to conserve financial and material assets. Enforced budgeting. Troubled investments. Losses through over-extending resources. Religious dogmatism. Fanatical about health and fitness.

Saturn

Saturn describes your experience of reality, your fears and inhibitions, where you are serious, and how you respond to society's rules.

Saturn in Leo
You have a strong desire for recognition and prominence in life, coupled with the urge to gain positions of power and leadership. You need to feel respected by other people. There

can be a lack of self-confidence, inhibited self-expression and difficulties asserting your authority.

Saturn in 10th House

You desire to attain success and positions of authority. Vocational matters are of importance and you will need to work hard to achieve professional ambitions. You may experience obstructions in your career but these can be overcome with perseverance and endurance. An abuse of power can result in loss of face.

Saturn = Uranus/Pluto (-1°23' S Conjunct)

Sustaining an exclusive focus. Channeling a tremendous amount of energy into specific ventures. Attempting to restrain compulsive tendencies. The desire to reconcile conformist and non-conformist tendencies. A deep fear of change and the unknown. Enforced adjustments and rearrangements. Coming to breaking points - or breakthroughs in life. Extreme defiance. A 'ticking-time-bomb'- accumulated stress; volatility. Serious and decisive separations.

Saturn = Mercury/Neptune (-0°12' A Square)

A suspicious mind. Fearing or dreading the worst - and the unknown. Fostering negative attitudes about people and situations. Distrust and cynicism. A proneness to depressive states. Difficulty differentiating between illusion and reality. An interest in spiritual subjects and disciplines. Healing potential.

Saturn = Neptune/Ascendant (+0°18' S Conjunct)

A vulnerable personality. Guarded behavior. The necessity to protect and shield self against negative people - and environments. Dubious or unreliable contacts. Connecting with people who 'get under your skin'. A delicate constitution; contending with health issues. Retreating to a personal sanctuary. Escapist tendencies. Separation.

Uranus

Uranus a generational planet - describes areas of personal and peer group uniqueness, your intuitive awareness, and your ability to adapt to the new and sudden.

Uranus in Libra
You have progressive and original views on personal relationships and partnerships, coupled with the urge for independence and freedom of expression in love. You are inclined to emphasize individuality in relationships and to discourage the view that partners own one another.

Uranus in 12th House
You can be prone to sudden fears and anxieties. Personal independence may be difficult to achieve. Unpredictable behavior in others can unsettle you. Hidden enemies can reveal themselves unexpectedly.

Uranus = Sun/Moon (-0°46' A Sesquiquadrate)
An original personality. Ingenuity and inventiveness. A progressive and contemporary outlook on life. Embracing the new and the unexplored - thriving on change and stimulation. Focusing on innovation and reform. An independent streak. Rebellious and revolutionary traits. Inner tensions. Instability within partnerships. Unpredictable behavior in self and others. Agitation and irritability. Sudden departures or separations within relationships.

Uranus = Sun/Jupiter (+0°02' S Sesquiquadrate)
A confident and adventurous spirit. Enjoying new experiences in life. Extending personal horizons through taking risks or chances. A good intuition and sense of timing. Seizing opportunities. Productive and lucrative enterprises. Sudden indulgences and expenditures. Changing financial circumstances.

Uranus = Mercury/Moon's North Node (+0°53' S Sesquiquadrate)
Brainstorming sessions with others. Exploring new concepts or techniques. Innovative contributions within groups and associations. Active communication within relationships. Frank and lively discussions. Wide-ranging and diverse connections and interests. Irregular or inconstant participation.

Uranus = Moon/Midheaven (+0°54' S Conjunct)
Acting spontaneously and instinctively. Being suddenly aware of an inner stirring for change and reform - trusting one's feelings or intuition. A quickly responsive and reactive nature. Changeable aims and aspirations in life. The tendency to be easily shaken by unexpected events in personal and professional life. Highly strung. Being prone to anxiety attacks.

Uranus = Moon's North Node/Ascendant (+1°24' S SemiSquare)
Stimulating personal connections. Associating with progressive - or eccentric individuals. Cultivating ties with people from all walks of life. Changeable elements within the personal or family-circle. Adapting or reacting to disruptive environmental influences. Unpredictability within associations. Stressful relationships.

Neptune

Neptune a generational planet - describes your personal and peer group experiences of spirituality, your powers of inspired fantasy and areas of illusion.

Neptune in Gemini
You are a member of a generation that has seen the expansion of possibilities in the communication sectors, plus innovations in teaching and education methods. In your desire for new experiences, you are likely to travel far and wide. Your intuition is keen and you are naturally perceptive.

Neptune in 8th House
There can be a risk of partners getting into financial difficulties and loss through deception or carelessness. Dealing with wills and inheritances may not be straightforward. There may be a need to take care in and around water.

Neptune = Moon/Mercury (+0°18' S Square)
A sensitive and imaginative nature. Creative imagery; an entertaining storyteller. Instinctively picking up on the thoughts and feelings of others. Psychic perception. Overly receptive to what others have to say - a risk of being easily 'sucked in'. Naivety and gullibility. Misunderstandings and misapprehensions within emotional or family relationships. Distrust and dishonesty.

Neptune = Moon/Ascendant (+0°49' S Opposition)
An instinctive and perceptive nature. Absorbing impressions from others and the environment. A 'psychic sponge'. Highly sensitive and responsive. Having inexplicable misgivings about some people - and situations. Feelings of distrust. Susceptible to

environmental influences. Emotional and physical vulnerability. Cravings and addictions. Instability and deception within partnerships.

Neptune = Mercury/Jupiter (+1°07' S Square)

A creative intelligence. A descriptive communicator - storyteller or scriptwriter. A fertile and, at times, overactive imagination. Inspired communication. A perceptive and witty conversationalist. A way with words. Deceiving others or being deceived. The ability to twist the truth; to hoodwink - a spin doctor. Misunderstandings and disappointments. Unrealistic expectations. Blind faith.

Neptune = Uranus/Moon's North Node (+1°27' A Square)

Gullibility and instability within associations. Difficulty 'standing up for oneself' or asserting independence. Feeling defenseless against the will of another - or others. Disruptive and undermining elements within partnerships. Tenuous relationships. Deliberately misleading others or being misled. Distrust and dishonesty. The desire to retreat or 'pull out' from negative or dubious associations.

Moon's South Node in 3rd House
You may experience difficulties with siblings or neighbors.

The Qualities and Elements

The signs of the zodiac are grouped into two basic categories. These are known as the Qualities and the Elements. The Qualities describe fundamental modes of activity and the Elements describe temperament. There are three Qualities: Cardinal, Fixed & Mutable and four Elements: Fire, Air, Earth & Water. Your horoscope has varying degrees of each Quality and Element. The percentages you have of each will determine their importance in your life. The higher percentages will be more powerful in your life, the lower percentages will be less powerful.

The Qualities

50% Cardinal
The Cardinal signs are Aries, Cancer, Libra & Capricorn. The more planets you have in any of these signs the more Cardinal you are:
Cardinal people are action oriented and initiating. They are interested in promoting change and bringing new things into the world. They are direct, assertive and like to take charge of situations. They are ambitious, independent and dislike being supervised. They are good at starting projects, but not so good at completing them. They have abundant enthusiasm and are very resourceful. Cardinal people generally don't hold grudges.

38% Fixed
The Fixed signs are Taurus, Leo, Scorpio & Aquarius. The more planets you have in any of these signs the more Fixed you are:
Fixed people are persevering and enduring. They achieve results in life through determined and persistent effort. They tend to do one thing at a time and are extremely practical in their approach to everything. They are not easily influenced by others and can be quite firm or stubborn once their minds are made up about something. They tend to hold onto things and are reluctant to change. They are staunch, but they can also be inflexible and at risk from becoming set in their ways.

12% Mutable
The Mutable signs are Gemini, Virgo, Sagittarius & Pisces. The more planets you have

in any of these signs the more Mutable you are:
Mutable people are the most flexible of the three types. They are able to go with the flow. They are changeable and adaptable, but also indecisive and restless. They are sensitive to the opinions of others, but they can also be impressionable and easily influenced by environmental circumstances. Mutable people lack the stubbornness of the Fixed signs and the forcefulness of the Cardinal signs, which makes them good mediators and go-betweens.

The Elements

19% Fire
The Fire signs are Aries, Leo & Sagittarius. The more planets you have in the Fire signs the more pro-active and self-determining you are:
The Fire signs go for freedom of action and power. They strive for recognition in life. They are out-going and enthusiastic, adventure seeking and powerful. They are ardent, passionate, assertive, demonstrative, bold and courageous. They can also be impatient and bossy, willful and reactive, especially when they face delays or obstructions in their path.

44% Earth
The Earth signs are Taurus, Virgo & Capricorn. The more planets you have in the Earth signs the more practical and needful of security you are:
The Earth signs seek material security. They are down-to-earth, pragmatic, cautious, sensible and conservative. Hard-working and industrious, Earth signs are able to put into effect the ideas and inspirations of the other signs. They can be accumulative, possessive and overly materialistic. They are also sensual and pleasure seeking.

25% Air
The Air signs are Gemini, Libra & Aquarius. The more planets you have in the Air signs the more pro-active and self-determining you are:
The Air signs go for freedom of action and freedom of movement. Air signs need to be able to come and go at will. They are mentally alert and intellectually stimulating. They can also be fickle, inattentive and swayed by the opinions of others.

12% Water
The Water signs are Cancer, Scorpio & Pisces. The more planets you have in the Water signs the more needful you are of emotional security:
People with a majority of planets in the Water signs are motivated by the need to gain security in their emotional lives. They are sensitive, deep, compassionate, imaginative and intuitive. Their inner lives and dream lives are very active. They are spiritually inclined and potentially psychic, with an ability to tune into others. They can also be hypersensitive, impressionable and emotionally needy.

Signs on the Cusps

1st House Cusp in Libra

Your primary motivation in life is for freedom of action and movement. You display an attractive personality, with the ability to get along with others. You are co-operative, diplomatic and a natural mediator, with the capability to appreciate differing points of view. Sociable and engaging, you are generally popular and well liked. You need company and prefer to associate with cultured, refined and creative people. You have an aesthetic sense and an appreciation of the arts, coupled with a preference for harmonious and tastefully arranged environments.

2nd House Cusp in Scorpio

To you, money is power. You tend to be secretive about your finances and hold the view that one's financial affairs are one's personal business. You prefer to control your own wealth, so it is likely that others will never really know how much you are really worth.

3rd House Cusp in Sagittarius

In general, you communicate positively and optimistically. You have an enthusiasm for early education and a talent for making learning fun. Your relationship with your brothers and sisters is generally good; however you may spend a fair amount of your time away from them. Travel is often on your mind.

4th House Cusp in Aquarius

You like the freedom to do as you please in your own home. Your upbringing may have been unusual in some way, with unsettling experiences or sudden events in the family. Your parents may have fixed ideas about family life.

5th House Cusp in Pisces

You are the dreamy romantic in love who enjoys candle-lit dinners and walks along the beach. You enjoy the arts, particularly photography, film, music or dance and may be talented in these areas. Water related sports such as sailing, skiing and fishing are likely to appeal.

6th House Cusp in Aries

You are an energetic worker who likes to be kept busy and to set yourself challenges and targets at work. As an employee, you like to demonstrate your abilities; as an employer, you respect self-motivation and initiative in your staff. You need to take care against

accidents or arguments in the workplace.

7th House Cusp in Aries

You attract, or are attracted to, people who are assertive, self-motivated and energetic. Boredom rarely exists in your personal relationships. More often than not, you have a tendency to rush into partnerships; you may even marry before you're ready for commitment. Arguments and heated debates with others are likely.

8th House Cusp in Taurus

Your partners need financial security and tend to be quite careful with their money. If you need to secure capital, established lending institutions suit you best. You may fear material loss and financial insecurity.

9th House Cusp in Gemini

You are curious about life's big questions and may read extensively on philosophical and religious subjects; however, you may be inclined to change your outlooks on life frequently. You are interested in other cultures and will probably travel, or have many contacts with people from other countries. Important teachers and advisers tend to be mentally alert and stimulating, but can also be unpredictable and changeable.

10th House Cusp in Leo

You seek positions of respect and authority in life. At work, you have the capability to take charge of situations and to organize others. You are suited to careers that demonstrate your ability as a leader or manager. Your reputation is very important to you.

11th House Cusp in Virgo

You attract down-to-earth, practical and intelligent friends. You may establish personal connections with people from your workplace. You enjoy working on mentally stimulating projects with others.

12th House Cusp in Libra

You may have secret relationships. Dependency on others can weaken your ability to develop self-reliance. A susceptibility to flattery can cause difficulties. Be aware that other people may have hidden agendas.
